It is required that all Parishioners that interact with children in anyway in the Church, have a background check on file.

Starting on 11/4/19, we sent out emails requesting that you grant permission to have your background check submitted to a 3rd party company to do so. Some of you have completed this.

If you have not granted permission and you do, in fact, interact with children in anyway, please contact us to have your background check completed.

Thank you,
